MEDICAL MICROBIOLOGY & INFECTIOUS DISEASES SOCIETY OF PAKISTAN

Why should physicians, scientists and allied health staff become members of Medical Microbiology & Infectious Diseases Society of Pakistan?

- Because Infectious Disease is a global issue and needs your attention
- Because Infectious Disease is preventable and treatable
- Because Infectious Disease is the most common illness
- Because IDSP is the only registered ID Society in Pakistan
- Because IDSP is an academically active body whose mission is to disseminate information on Infectious Disease
